TOGETHER WE
CANCER

When the sun goes down, hundreds of luminaria light the way under the stars and a moment of silence falls during a moving ceremony of remembrance. Luminaria are glowing bags that appear to be simply paper sacks filled with sand and candles, but every bag represents a life that battled cancer. The luminaria ceremony is one of the most emotional moments at the Relay. It is a time to remember those lost to cancer, support those fighting cancer, and rejoice with those who have fought and won.
