## PRECOURSE PREPARATION CHECKLIST

**This checklist gives you information on what you need to do to prepare for this course.**  
**Your success in this course depends on completing this Precourse Preparation Checklist.**  
**Bring this checklist with you to the course.**

**To prepare for the course, you must:**

- Complete a BLS course or be able to perform high-quality CPR and use an AED according to the *2015 AHA Guidelines Update for CPR and ECC*
- Review the learning station competency checklists in the *PALS Provider Manual*
- Understand the PALS algorithms and flowcharts for the case scenarios in the *PALS Provider Manual*
- Complete the PALS Precourse Self-Assessment on PALS ECG rhythm identification, pharmacology, and practical applications (available on the PALS Student Website)

Print Name \_\_\_\_\_

Check what you have accomplished for your precourse preparation:

- High-quality CPR/AED competency
- Learning station competency checklists
- Algorithms and flowcharts for case scenarios
- PALS Precourse Self-Assessment

***Bring this checklist along with your PALS Precourse Self-Assessment certificate to your course.***
